

# Tuscarora Wood Badge 2021 - S7-424-21 Course Postponed

## WOOD BADGE 2021 S7-424-21

### Postponed to Later in Year.....

Unfortunately, as a result of the number of participants registered to date, and given where we are in the pandemic currently and the projections of where we'll be in January and February, we've made the decision to postpone Wood Badge S7-424-21, originally scheduled to take place at Camp Tuscarora on the following dates: January 29-31, 2021 and February 20-21, 2021 to dates later in the year.

We feel this was the best course of action, as the safety of our participants, members and staff are our top priority.

This decision also allows for an extended period of time for everyone to recruit additional participants, gives families and other potential participants time to reach a place of better financial stability, and for our communities and local areas to see a marked decrease in COVID cases and begin to trend in the right direction.

We apologize for any inconvenience this may cause, we respect your time and realize that rearranging schedules and juggling date changes is never fun. We are currently in the process of evaluating the council's 2021 calendar to select and approve the new course dates. We will update everyone the minute the new dates have been determined. In the meantime, if you were registered to attend the course already, please take a look at the options below and let us know your preference of how to proceed with your current Wood Badge registration and payments to date: (If you haven't already.)

1. Keep your registration in place as is for now, with the option of being able to request a refund in full if the new dates don't work out for your schedule, or
2. Keep your registration in place and automatically roll it over to the new dates once they've been determined, or
3. Process a refund now. (Funds will be returned to the credit card used to make the original payment and take between 3-5 days to show up on your account.)

Please send a reply with your preference to [sarah.fernandez@scouting.org](mailto:sarah.fernandez@scouting.org) once you've decided the option that works best for you.

Thank you for your patience, understanding and support as we continue to navigate through the COVID-19 pandemic. We look forward to sharing the new dates with everyone as soon as possible, and we definitely look forward to the day when we're all pandemic free.
