## NEW Transfer Function Now Available Within My.Scouting - Multiple Registration Too!

**Did you know:** you can now transfer and multiple register between units using your My.Scouting account?!

Now users are able to transfer from one Scout unit to another without having to take a new application into the Scout office.

On the **"My Application"** tab you can transfer yourself as an adult volunteer or your youth member from unit to unit.

Unit leaders will be able to transfer youth by going to the new **"Roster"** feature in **"Member Manager"** and **"Organization Manager"** and select the youth who need to be transferred, then click the **"Transfer"** icon. This will create a transfer application which will be sent to the new unit with the ability to be approved in **"Application Manager"**. Transfers will take 48 hours to sync with the new unit.

The **"Roster tool"** also allows unit leaders to email other leaders in the unit directly from the tool. Editing youth/adult profiles, and printing rosters/membership cards is also available in the updated tool.
