## FTC CONSENT AND RELEASE FORM- FOR VOLUNTEERS AND TEAMS

All participants in Virginia *FIRST* / *FIRST* Chesapeake competitions, including **teams** (students, coaches and/or mentors) and **volunteers**, must fill out the 2016-17 season Virginia *FIRST* Consent and Release form before attending/participating in events, in addition to the *FIRST* Consent and Release form you see on STIMS.

This includes both the *FIRST* Tech Challenge (FTC) program in Virginia and *FIRST* Robotics Competition (FRC) program in DC, MD and VA.

We are happy to tell you that the form is now available online for your convenience. And as an added bonus, as each student submits the form, his/her coach will receive an automated confirmation of that student's form completion, so long as the student put the coach's email address on the form.

Paper forms will be available at events, but we strongly urge participants to complete the online form ahead of time or print and bring a signed paper copy, attached to your team roster. A printable version is available here
