KEY:*

Cases - cases reported on the specific date.

Hospital COVID-19 Census - reported number of people in hospital on the specific date due to COVID-19.

Deaths - deaths based on date of death reported. MD deaths based on confirmed death date.

7-day test positivity rates - most recent reported and may not be for the specific date shown. NOVA is a weighted average.

Daily Cases per 100,000 Pop - number of daily cases in relation to the population.

% Total Pop Fully Vaccinated - percentage of total population fully vaccinated (with one dose vaccine or two dose vaccine). FXHD, NOVA and VA fully vaccinated data is from VDH.

Darkened boxes - the information is not reported by or cannot be determined from the source website.

* DC information reported is for the day prior to the specific date. DC vaccination data is updated once per week.
