KEY:
Tests - daily change in the cumulative test encounters reported. MD is daily change in cumulative test specimens reported.
Cases - cases reported on this date.
Hospital COVID-19 Census - number of people in hospital reported on this date due to COVID-19.
Deaths - deaths reported on this date based on date of death reported. MD deaths based on confirmed death date.
Cases 7-Day Moving Avg - average of the day's reported cases and the past 6 days reported cases.
7-day test positivity rates - most recent reported and may not be for the specific date shown. NOVA is a weighted average.
Total Hosp to Total Beds - total COVID-19 and nonCOVID-19 hospital patients to total staffed hospital beds reported on this date.
Darkened boxes - the information is not reported by or cannot be determined from the source website.
DC reported information lags FXHD, NOVA, VA and MD reported information by one day.
