POKÉMON GO TOUR: KALOS COMES TO THE ROSE BOWL STADIUM FEBRUARY 20-22

Pasadena, Calif. (November 26, 2025) The Pokémon GO Tour is returning to the historic Rose Bowl Stadium on February 20-22, 2026.

The tour will bring **Pokémon GO Tour: Kalos**, a series of real-world and virtual experiences to Trainers beginning in Los Angeles that will set the stage for an exciting weekend full of adventure. This three-day event nestled in the heart of Pasadena will allow Trainers to join, interact, and meet thousands of others from across the world, as they explore the Kalos region.

“The Rose Bowl Stadium is thrilled to welcome back Pokémon GO Tour to America’s Stadium and the Brookside Golf Course for a third time,” said General Manager, Derek Doolittle. “This family-friendly event brings Trainers of all ages and backgrounds together to explore our beautiful campus, nestled in the Arroyo Seco, in an experience unlike any other.”

For the first time ever, the Tour will offer a new nighttime event experience at Pokémon GO Tour, available to purchase as an add-on to your main event ticket. Mega Night is a ticketed evening event, taking place after the main daytime Pokémon GO Tour event. Look forward to unique gameplay, special entertainment and more during this “after hours” extravaganza!

During Pokémon GO Tour: Kalos, Trainers will be able to experience:

- **Pokémon X and Pokémon Y Inspired Gameplay** - Longtime fans and new Trainers alike can enjoy gameplay inspired by stories from the Kalos region, home to the Legendary Pokémon Xerneas and Yveltal.
- **Shiny Debuts** - Shiny Klefki, Shiny Hawlucha and Shiny Honedge will make their global *Pokémon GO* debuts during the event.
 - Trainers who purchase a ticket will receive Masterwork Research that leads to an encounter with Shiny Diancie, appearing for the first time in GO Tour: Kalos - Global.

- **Costumed Pikachu** - All Trainers will have increased chances of encountering costumed Pikachu wearing Calem or Serena's hat during the event, alongside increased chances of encountering Shiny costumed Pikachu.
- **Wild Encounters** - Featured event-themed Pokémon will appear across the Central Village, Mountain Manor and Coastal Laboratory habitats during select event times.

For a limited time only, one-day tickets to Pokémon GO Tour: Kalos – Los Angeles are now on sale for \$25 (U.S.) and Mega Night at Pokémon GO Tour: Kalos – Los Angeles is on sale for \$20, [here](#). Tickets for Pokémon GO Tour: Kalos – Los Angeles include one day of event gameplay, and attendees may purchase add-ons that extend the gameplay for an additional day. Event gameplay will be available only at the date, time, and location specified on your ticket.

We recommend Trainers bring comfortable walking shoes for exploration, portable chargers to allow more time for catching and trading, and lastly, themselves! Experience the Pokémon GO community with friends new and old at the Rose Bowl Stadium.

ABOUT THE ROSE BOWL STADIUM

The Rose Bowl Stadium is a National Historic Landmark built in 1922 and known throughout the world with its world-class reputation for hosting the 1932 Olympic Track Cycling event, five NFL Super Bowl Games, the 1984 Olympic Soccer matches, the 1994 Men's World Cup, the 1999 Women's World Cup, four BCS National College Football Championship Games, and the College Football Playoff Quarterfinal and Semifinal Game. In 2028, the iconic venue will host the Olympic Games for a third time. The Rose Bowl is also known globally for hosting the annual Rose Bowl Game®, UCLA Football, international and Premier League soccer matches, and the World's Largest Flea Market.

The Rose Bowl Stadium is one of the world's greatest concert and festival venues, hosting world-class concerts including Coldplay, Karol G, the Rolling Stones, Taylor Swift, Beyonce and Jay-Z, and Kenny Chesney. Since 2016, Brookside Golf Course at the Rose Bowl has become a premier music festival venue hosting numerous annual events attracting hundreds of thousands of guests through the years.
