

“Art Club Spring Semester 2025”

Teacher: Ronda Stieber

It is now time for students in “**5th through 8th grade**” to consider joining the “**Art Club**” for the *Spring Semester*. This is an after school club **open to boys or girls** who enjoy making a variety of challenging creative art projects. We meet in the Art Room #204 on Monday’s right after school until 5:00 P.M. All classes held during normal “open” school days through the semester.

The cost is **\$200.00 per semester-for 9 classes**. The first class is Monday, February 3rd and the last class is Monday April 14th. I will host our “Ice Cream and Treats Party” on the last club day April 14th! All payments in check must be made out to “**Ronda Stieber** not St. JPII or Cash, and are due in full with the registration form to secure a spot. Note: limited enrollment for a fun, safe, creative environment.

All Students are *encouraged to bring Water only and Snack* then report to the Art Room right after school. I will prepare set up of the classroom at 3:15 and class begins promptly once set up and as middle school arrives.

Students will be walked down to carpool promptly at 5:00 P.M. Please pick up your child on time. Students who have not been picked up by 5:15 P.M. may be charged late fees according to the Parent/Student Handbook. If a student needs to leave earlier, parents may come to the front office for your child to be called down.

The Planned Spring projects are:

1) Navaho Weaving: Students will learn how to weave on a 10” beaded frame that is pre-strung. A broad variety of yarns in colors of the entire color wheel and neon’s for selection. These are in different textures and thickness as students will learn the weaving process and how to create more advanced design elements to create a beautiful wall hanging. This will take the majority of our class time.

2) Thick Wooden Picture Frame Mosaic: Students will select from a broad variety of Venetian Glass one inch tiles for the corners and middle then select solid colored glass tiles to create their design pattern to fill in all around. Once glued and dry we will cement then clean this beautiful functional art project.

...Enrollment is limited - Intensified art techniques/tool usage are taught. Positive behaviors are required!

Cut and Submit bottom portion with *semester total payment to Mrs. Stieber* - Room #209 or the front office to place in my mailbox.
