Uniform Requirements

Thank you for your patience as Risse Brothers worked through shipping delays at the start of the school year. Now that uniforms have been delivered, we will begin enforcing the official school uniform policy after **Labor Day.**

We understand that similar items can be found at other stores, but our official uniforms help create a consistent sense of unity, school pride, and community. Requiring the approved uniform pieces also allows us to apply our dress code fairly and consistently to all students.

Please be aware that students wearing incorrect uniforms will receive a uniform violation. Persistent uniform violations may result in an “N” for conduct on the progress report.

Thank you for your cooperation and for helping our students represent St. John Paul II Catholic School with pride!
