

# **PARKING INFORMATION – 2018-2019**

**Dear DWS Parents, Guardians, Grandparents and Friends,**

Parking on our campus is a challenge and very limited. This is especially true early in the school year with new families and transitions for parents, students and staff. Please review the parking rules below and abide by them. We have developed our parking rules over a period of years based on much deliberation, experience and need. We strive to make student drop-off and parent parking as safe and fair as possible. Thank you in advance for doing your part to make it work for all.

## **DWS Parking Lot Rules**

- **Drop-Off:**

Preschool ~ Preschool families may park in the front circle for a maximum of 10 minutes, prior to 9am. After 9am, the front circle is open for all families.

Kindergarten ~ Kindergarten families may park in the dirt kindergarten lot on Sycamore for a maximum of 20 minutes. If you will be staying longer than 20 minutes, please park at Davis Christian Assembly.

Grades ~ Grades families may drop off in the front or back circles. There is no parking in either of these circles prior to 9am. Please pull to a curb in the circle to drop-off your children. DO NOT drop off in driveways. If you need to be on campus for longer than a quick drop off, please park at Davis Christian Assembly.

- **Pick-Up:** All parents may park on campus for afternoon pick-up in any open parking spaces, and in “reserved” parking spaces after 2pm. Otherwise, please park at Davis Christian Assembly.
- **5 mph: EVEN IF YOU ARE RUNNING LATE:** Please drive very slowly through our parking lot - Child safety is our #1 priority.
- **Please do not park in reserved or faculty designated parking spaces before 2pm.**

**Parking on the street:** When parking on the DWS side of the street, please make sure that all four tires are on the gravel – off the pavement/bike lane. To accommodate as many cars as possible, please pull up as far as possible to other cars or curbs (don’t leave  $\frac{1}{2}$  car-length gaps!) There is no parking on the west (freeway) side of Sycamore (this is clearly marked - *you may be ticketed if parking on that side, especially if the neighbors complain*).

**Overflow parking:** Davis Christian Assembly is an amazing neighbor, and they allow us to use their parking lot. If you are unable to find parking on campus please park there. They are a block away, at 3030 Sycamore Lane. Do not leave valuables in cars as we have had a few break-ins in previous years.

**Pets:** Dogs are not allowed on campus and must remain inside cars at all times. Per California state law, please be mindful – if too hot, leave your pet at home.

**Bikes:** No bike riding anywhere on campus – please dismount and walk your bike.
