

Note: Prior to starting any activity, be sure to sanitize hands and all supplies used. Be sure to practice safe physical distancing.

- **Look for Easter**, look for signs of new life and resurrection! We also call these **God Sightings**, looking for our good God in the world! Share the God Sightings you find with us. <https://www.myfaithunited.org/god-sightings-looking-for-hope-during-the-pandemic/>
- Learn about the **Wesleyan Quadrilateral** and talk about how this can be a tool to explore challenging questions. Brainstorms questions about faith and God that are hard to understand. Then use the Wesleyan Quadrilateral to discern your questions. Learn more about the Wesleyan Quadrilateral here - <https://faithumchurch.wordpress.com/2020/04/25/living-the-resurrection-resurrection-identity-wesleyan-quadrilateral/>
- Make **cards for Hartville Migrant Ministry migrant workers**. Because we will not be meeting in person for our Wednesday Night Faith Connection spring mission project to pack Welcome Bags for Hartville Migrant Ministry, make cards to welcome the migrant workers. Mail your card to the church and we will deliver them with the monetary donations to help provide 12 Welcome Bags!

- Sunday School Teacher, Libby Blake's Card Sending Idea, the **Quarantine Correspondence Challenge**: I often get packets of cards from various charities and rarely use them. I'd like to challenge those who have any kind of greeting or note cards to open their address books and start sending one a day. When I was undergoing cancer treatment, Terry, my college roomie and life-long friend sent me a card-a-day for over two months! She used up all the miscellaneous cards she had bought over the years and had never sent. It was hilarious to receive cards with messages that had nothing to do with my situation! I am a card maker in my spare time. My goal is to end this quarantine time, no matter how long, with NO CARDS LEFT! I'd love to know if you'll give this a try and also if you hear back!

- **Plant Something!** Inspired by an article written by John S. that you can find on our Worship by Wire website, go plant something in celebration of Christ's Resurrection. John encourages us all to "...plant something, if only one seed, wherever you call home! Perhaps your seed will grow into something good to eat, a beautiful Flower to feed the pollinators of our food, or a tree. What better way to Celebrate Resurrection?"

- **Pray the LORD'S PRAYER** each day at noon. Create a video of your family praying the Lord's Prayer that we could share as encouragement for others. Let me know if you are interested!
- **Participate in a church-wide Alleluia! Christ is Risen! Mosaic Coloring Project!** We are looking for 13 more persons (all ages) to participate in a church-wide Alleluia! Christ is Risen! Mosaic Coloring Project. You would need to be able to print out an 8 ½ X 11 paper, color it and mail (or email if you can scan) back to Kathy Schmucker at the church. You will have about 2 weeks to complete before we need them. Please let Kathy know if you are interested! Please share with your groups and invite others to participate! This will be a fun way to participate in a church activity together, even though we are physically apart!
- Use, individually or as a family, the worship and devotional resources you will receive connected with Sunday's video worship service and Wednesday Night Faith Connections and Sunday School. Share with others! Visit our website for updated resources: <https://www.myfaithunited.org/worship-by-wire/>
- Share pictures or videos of some of the activities you and your family are doing while practicing physical distancing with church staff. What you share may inspire someone else!
