

National Day of Prayer 2020

Resources to Guide us in Praying for our Country, Community and Congregation

May Peace Prevail on Earth

Jesus said, "My peace I give you..." - John 14:7

There are two Peace Poles at Faith United. One near the main entrance of the church and another near our Little Free Library at the 9th Street entrance of the church.

Peace Poles can be found all over the world.

May Peace Prevail on Earth

These are the words, written in several languages, that you will find on the Peace Pole.

What prayers for peace stir in your heart today?

What prayers for peace would you add to the Peace Pole?

What prayers for unity are stirring in your heart today?

What prayers for healing are on your heart and mind today?

Write or draw your prayers for peace on paper.

Use the finger labyrinth on the next page to guide you as you pray and reflect.

As you 'walk' the labyrinth with your fingers today, consider what peace prevailing on earth means to you.

Reflect on Christ's love for you and our world.

Receive the peace Christ longs to give you!

**Print and color this
finger labyrinth! Or
just trace it gently
with your fingers on
your screen.**

*"Blessed are the
peacemakers, for they
will be called children of
God." Matthew 5:9*

*"Making every effort to
keep the unity of the
Spirit through the bond
of peace." Ephesians 4:3*

Listen for a word or
phrase that God reveals
to you as you as you pray
and write that word on
the dove.

Prayer and Reflection Walk

Make time to walk and talk to God.

You may want to walk around the neighborhood of the church or your own neighborhood. Pray for peace and healing for our community and nation as you walk.

If the walk itself is what helps you focus on God, use the movement to reflect on how you and God have moved together, and when, and where.

If the environment in which you walk is what helps you focus on God, reflect on how you notice God in and around you as you walk.

PRAY FOR OUR COUNTRY AND OUR WORLD

Imagine God's hands wrapped around the globe. Pray for people in all parts of the world, especially those impacted by the COVID-19 pandemic, those who live in poverty, those who are persecuted, and for those who haven't yet heard the good news of Jesus.

Pray for the light of Jesus to shine in the world.

Pray for our country, our president, governors, elected officials, and those serving on the front lines during the COVID-19 pandemic.

And God said: "If my people who are called by my name humble themselves, and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." (2 Chron. 7:14)

PRAY FOR OUR COMMUNITY

Pray for our city, county and state leaders, community services, schools, prisons, community organizations.

Light a candle.

Pray for friends, neighbors and family members who yearn for peace and healing.

Pray also for your enemies that they may be touched by God's love.

I John 4:10

"This is love: not that we loved God, but that he loved us."

Isaiah 9:2

The people walking in darkness have seen a great light; on those living in the land of deep darkness a light has dawned.
