

# Children's Interactive Worship Bulletin

## Communion Sunday

### Get Ready For Worship:

Say hello to people around you.

Look around the worship space. What do you notice that is different today?

What symbols in the sanctuary help you learn about God?

**Announcements:** Write or draw a picture of something talked about that you want to remember.

**Music:** One way we worship God is through our music. Draw a picture or write some words that come to your mind as you listen to the worship music today.

**Offertory:** We give God some of what God has given us. An offering box is in the Narthex (the room just before you entered the sanctuary).

Listen to the music. Write or draw a good thing that happened to you this week.  
Or draw a picture of a way that you can give to God.

**Sharing Stories of God at Work in our Lives:** Write the name of or draw a picture of someone you want to pray for this week.

**Prayer:** We pray to God for people we care about. We ask God to be in worship with us.

**The Lord's Prayer (Jesus taught his disciples to pray.)**

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses as we forgive those who trespass against us. Lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory forever. Amen

**Scripture (Bible Reading):** Listen for the word of God. Write or draw something you heard from the Bible.

**Sermon:** The sermon is one way to explain what we just read and heard from the Bible. Write the sermon title, then write or draw something you hear in the sermon.

**The Sacrament of Communion:** Today we've come together to share in a special meal - a meal that helps us to remember our connection to God. We do this to remember that Jesus loves us so very much. We are all part of God's family! All are welcome to share in this special meal at God's Table.

Write a sentence about how much God loves you.

Or draw a picture of the bread and juice that helps us to remember Jesus' love for us.

**Closing Song (Hymn of Mission):** Worship songs help us learn about God and can remind us to do what God asks us to do.

Write or draw a picture of one thing you learned in worship that you can practice this week.

**Benediction:** The pastor sends us out into the world to live as God wants us to live.

Take your bulletin home with you. Show your family what you wrote and the pictures you drew. Talk about what you saw and heard. Ask them any questions you have about worship today.
