

Keeping your Information Private

The DD Board understands that your personal information needs to be kept private. Protecting your personal information is important. We follow strict federal and state laws that require us to keep your personal information confidential.

The Early Intervention Team uses various systems to keep all of your information protected and private. Click on the images below to learn more!

Brittco is used to document all case notes, communication and forms for your child.

Microsoft 365 is our email system for the agency with built-in security plus encryption for further protection.

IntelliCloud stores your child's documents and information for the long term.

We keep your child's EI records until your child's ninth birthday. The EI service provider may retain your child's EI records longer than this unless you ask that the records be destroyed after your child's ninth birthday.
