PROJECT ADVOCACY ALERT

BIA Members who live and or work in the City of Fountain Valley -

A BIA member project is scheduled for the Planning Commission (2/24) and City Council (tentatively 3/16) in the next few months, and we need you to help advocate for this project. If you live or work in the City of Fountain Valley, we would love for you to write your elected leaders, and speak at the city council meeting once scheduled.

Testifying at a public hearing makes you eligible for the BIAOC Civic Advocacy Award. Learn more at: <https://www.biaoc.com/cal>.

Please contact BIAOC Chapter Executive Steve LaMotte at slamotte@biaoc.com if you're interested in helping.
