2022 EXCLUSIVE BIA/RC

SPONSORSHIP PACKAGE

Pay one flat fee and get the benefit of marketing exposure at key industry events at a discounted rate.

DEAR MEMBERS

We know everyone is starting to plan for the year ahead, and here at BIA we are gearing up for a better 2022! As we look back at 2021, we have appreciated your continued support as we navigated a year like no other. In this new world of virtual and in-person events, we continue to try and keep our members connected and educated. We are looking forward to more in-person events in 2022 and will continue a hybrid model virtual education series where it makes sense.

With that in mind, we have outlined an annual sponsorship/partnership package with many signature events both virtual and in-person for your company to stay involved both through marketing and networking. Your support is the foundation on which we can build a better year at the BIA and continue our advocacy efforts that have kept our industry building in a pandemic year.

Sincerely,

Mike Freeman
