

2026 Sponsorship Packages

DEAR MEMBERS

We're grateful for your support over the past year and look forward to your continued involvement with the SAGE 55+ Housing Council of BIASC as we roll out an exciting lineup of events in 2026. Our mission is to keep members engaged, connected, and informed, while our advocacy team continues to advance housing opportunities and strengthen our industry.

For 2026, we've outlined three annual sponsorship opportunities to help your company stay involved through marketing, networking, and education. The 55+ Active Living market is a growing and vital segment of our industry, and your partnership helps us keep this council strong and our members up to date on the latest innovations in 55+ Housing.

TESTIMONIALS

"The SAGE 55+ Housing Council provides a fantastic resource to experienced industry knowledge through educational programs and networking opportunities for developers, builders, designers, and service providers working with a continually growing market segment looking for all categories of 55+ housing. I continue to be a part of this council to discuss industry trends and issues, collaborate with other professionals building places for this market segment to call home, while making lasting business connections and friendships that go beyond the SAGE 55+ Housing Council of the building industry."

-MICHAEL J. STONE AIA, NCARB - VICE PRESIDENT, SENIOR DESIGNER

"I appreciate the direct access to the conversations about innovative active adult living SAGE 55+ Housing Council provides. Whether through education seminars or one-on-one coffees with members, the wealth of knowledge shared by the board and members is inspiring and informative. Looking forward, the prospect of new concepts being shared among the members is truly exciting."

-DANA KOVACH, CEO

"Rancho Mission Viejo is the only master-planned community developer in Orange County dedicating up to 40% of their overall housing plan to the 55+ independent housing market. My experience as a board member on the SAGE 55+ Housing Council has been extremely educational, valuable and rewarding – not only for the opportunity to meet and network with other professionals working in various capacities of senior housing, but also to share my own learnings and perspective on this very important and much needed product type."
