

BIA ORANGE COUNTY CHAPTER

MEMBER SPOTLIGHT

PLEASE JOIN US IN RECOGNIZING **DANIELIAN ASSOCIATES ARCHITECTS + PLANNERS**

Please join us in recognizing BIA Member **Danielian Associates Architects + Planners.**

The Danielian Team's roots in architecture and planning run deep. While anyone can succeed once or even a few times, it requires tremendous skill, forward thinking minds, and unrelenting passion for creativity to deliver award-winning designs that span five decades. Every Danielian-designed project connects places with people while uniquely reflecting the area's verve and vibrancy. Whether the project at hand is creating multifamily and mixed-use, single family homes, affordable work force housing, active adult, or high-end luxury homes – Danielian Associates starts with a story and focuses on creating extraordinary experiences for each future resident.

Danielian Associates has been a proud BIA member for 49 years. Now led by a new generation of architects and planners, Danielian continues to support the association that supports, educates, and advocates at all levels for our homebuilding industry.
