

Thank you for participating in a Working Wardrobes Clothing Drive!

We offer comprehensive, wrap-around Workforce Development services to jobseekers facing barriers to employment.

Over the past 32 years, Working Wardrobes has provided career training, job placement assistance, and professional wardrobing to more than 115,000 individuals through an innovative and comprehensive range of services. Working Wardrobes' priority populations include unemployed and underemployed individuals, the justice-involved, veterans, and seniors. Our goal is to provide resources to jobseekers in need of individualized support so they can gain the skills and confidence to find and maintain employment, building lasting economic stability for themselves and their families.

We rely on your clothing donations to dress our clients for success.

By donating your new or gently used professional clothing, you enable Working Wardrobes to provide professional wardrobing services to our clients, so they can feel as empowered on the outside as they do within.

More than professional wardrobing

If a clothing donation cannot be given directly to a client, we resell it at our retail locations, The Hanger Boutiques and Outlets. **100% of the profit generated from The Hanger locations funds our client services!**

To wardrobe our clients and stock our retail locations, we accept:

- Athleisure
- Business Casual
- Business Suiting
- Casual
- Formal Wear
- Shoes
- Handbags/Satchels/Wallets/Belts
- Jewelry
- Luxury Items

We kindly ask that donated clothing be in **good condition, clean, and on hangers**

Thank you so much for your support of the Working Wardrobes mission!

Clearing out your closet?

Stop by our Donation Center anytime during operating hours!

17392 Daimler St, Irvine, CA 92614, Open Tuesday-Saturday, 9AM-3PM
