### **DO SOME HAPPY HAUNTING AS A BOOS, BOOZE & BITA SUPPORTER**

Even though this year having our annual wine event in person is turning out to be a challenge, we still want to find a way to support our BITA Program. Be a superhero this Halloween by sponsoring or purchasing an Italian themed wine box to support this annual fundraising event. This event offers you a chance to give back to our industry by supporting a program that encourages students to pursue careers in our labor force. Be sure to pre-order your Italian themed wine box ahead of time as no "day-of" boxes will be available. Only those who support will be able to join the pickup party for a quick happy hour of networking.

### **WHAT DOES BITA DO?**

Provides high schools with four-year building trades curriculum, develops work ready skills and attitudes, and changes public perception of building trades work and workers. We sincerely hope you'll become a sponsor of our **Building the Future 2020 Event** and extend your support to the future leaders of our industry.
