Pay one flat fee and get the benefit of marketing exposure at key industry events at a discounted rate.

DEAR MEMBERS

We know everyone is starting to plan for the year ahead, and here at BIA we are gearing up for a better 2021! As we look back at 2020 and the difficult year it was, we have appreciated your continued support as we navigated a year like no other. In this new world of countless virtual events and meetings and trying to keep our members connected and educated, we are looking forward to a hybrid model for 2021 and optimistic for more in-person events moving into the second quarter of next year. We will of course continue with virtual meetings and events when needed in order to keep our members and staff safe but look forward to seeing you in person as the year progresses.

With that in mind, we have outlined an annual sponsorship/partnership package with many signature events both virtual and in person for your company to stay involved both through marketing and networking. Your support is the foundation on which we can build a better year at the BIA and continue our advocacy efforts that have kept our industry building in a pandemic year.

Sincerely,

Dave Little
