Please help us in recognizing our BIASC Member **United Engineering Group (UEG)**. UEG is a professional civil engineering and development consulting company specializing in land entitlements, engineering and surveying services for the residential, industrial, commercial and solar development sectors throughout the Inland Empire region of Southern California. BIABV Board Member and United Engineering Group Entitlement Manager, Beau Cooper, has served as Past Treasurer and Past VP of Programs for the Baldy View Chapter and is an active member of our High Desert government affairs taskforce. BIASC's mission is to ensure the ability of our members to effectively plan for, and meet, the building and constructions needs of Southern California and we would like to thank United Engineering Group for their continued support and contributions to this mission for the past 10+ years.
