

Greetings from the Environmental Interest Group,  
In the last Newsletter we invited those of you who want to increase your recycling efforts to set up 3 collection bags. We introduced Bag #1 for all the items you can recycle at Wegman's (see last newsletter for list). Now it's time to start Bag #2, which we're recalling OTHER PLASTICS. The contents of this bag will be collected on a monthly basis. (Look for collection details in a future LLH Newsletter.) We suggest you print a copy of the list below to post over your bag. These items will go into a TerraCycle box that we've purchased. TerraCycle is a for profit company that recycles, upcycles, or reuses all that they collect.

**Bag #2 OTHER PLASTICS:** (any flexible or rigid plastic packaging – empty, clean, dry, labels removed, zipper pulls removed; items not recyclable curb-side or at Wegman's)

- Frozen food bags
- Plastic cling/Saran wrap
- #3, 4, 6, & 7 plastic containers and lids
- Pre-washed salad bags
- Cellophane
- Other resealable bags such as those that contain shredded cheese, dried fruit, hot cereal, nuts, etc.
- Laminated paper packaging: snack wrappers, chip bags, candy wrappers, etc.
- Styrofoam cups, meat trays, take-out clam containers, egg cartons
- Microwavable meal containers: rigid take-out containers, frozen food meal trays
- Small hard plastics: bottle/jar lids, tape dispensers, bread bag closure tags
