Dear Outreach Committee and Parishoners,

Thank you for your generous support of Step Up Schools Mesa through your back to school drive. Your contribution of school supplies, copy paper, markers, and folders helps us provide supplies for our teachers and students.

At our school, the message conveyed to these students on a daily basis is that the pathway to living a life of possibilities and fulfillment of their dreams is through education. I know you support that mission.

Step Up School has been blessed to have your support. Best wishes to all of you for good health and a blessed year ahead.

Respectfully,

Diane Fernichio
Dean of Students
