As we head into November (how can it be November already?) and we begin the season of thanks, let us all be thankful for beautiful weather and for the outdoors! Fresh air and the ability to see other people, at a distance of course, but real human beings non the less! So get out there and enjoy these last warm days. Explore our parks, take in the changing leaves, visit your favorite shops and find an outdoor patio to take it all in. Our community is all there for the taking - you just have to get outside!

Wednesday November 11, 5-6pm - Business After Hours at One Lake Brewing

Join us at our monthly networking event! Business After Hours (BAH) takes place on a Wednesday this month, Veterans' Day to be exact. This is your chance to connect with other members in a more casual setting. All members and non-members are welcomed.

This month's Business After Hours (BAH) will be **hosted by One Lake Brewing** on their rooftop deck, above their beautifully rehabbed historic building where they brew several tasty beers on-site!

This being the COVID-19 era, this event will be modified in many ways to be COVID-safe. We'll gather, seated, at tables on the deck and will practice social distancing, with the interior space open for restroom access. We ask participants to keep masked when not eating or drinking. Hand sanitizer will be available, and we'll use pre-printed name tags so no one need share markers. Registration is capped at 25 guests; RSVPs are required. We'll have a wait list going - if you have registered but are unable to attend, please let us know so we can open the spot to someone on the wait list.
