

OAK PARK RIVER FOREST CHAMBER OF COMMERCE

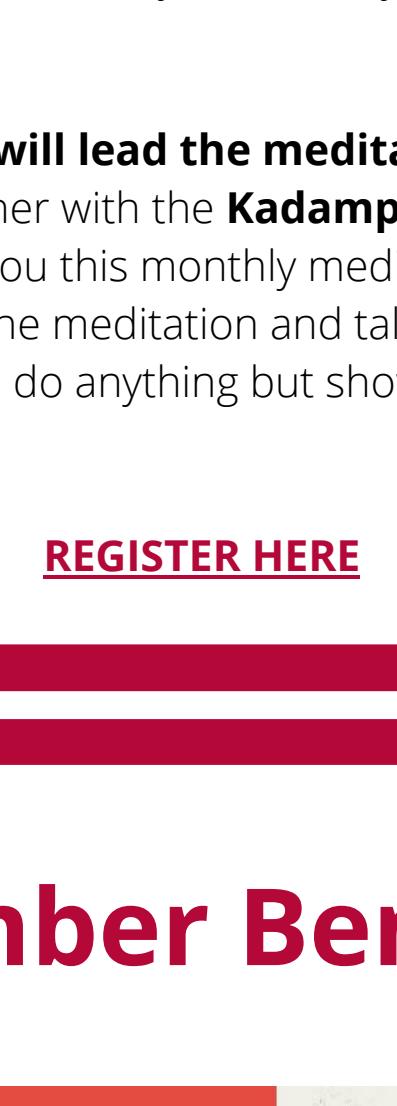

Thanks to the British NHS, we have Self Care Week from Nov 15-21. Why not grab this great idea and run with it! A perfect time to think about how we live our lives and make a few small changes that will help us take better care of ourselves and our families. What do you eat or drink, or how often do you just get up and get moving. And for sure we all need better work-life balance! So take a second and do something for yourself. You are worth it.

Tuesday November 16, 6-8pm - Young Professionals Candle Making at EINNIM

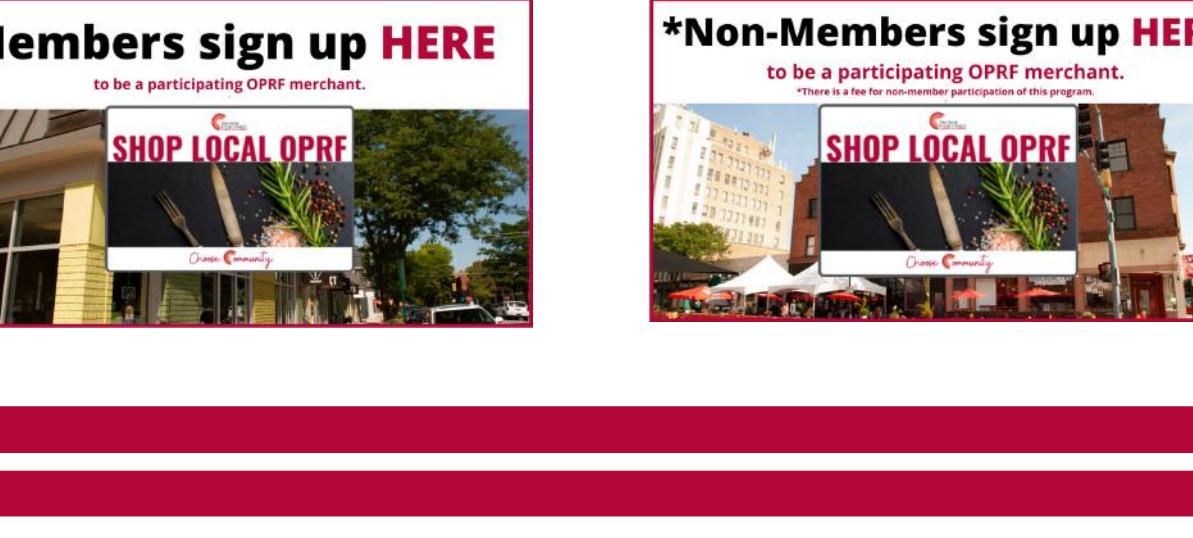

This month the Chamber's Young Professionals head to **EINNIM** for a fun evening of candle-making! We'll mingle and nosh on some tasty appetizers, and each of us will get a turn (in groups of 3-4) to create a candle - which could be a great, personally-handcrafted holiday gift!

Take a Break with Us

We know that owning or working in a business has been particularly hard this past year and we are guessing that you could use some TLC!

Join us as we launch our **NEW Chamber program** aimed at taking care of you, our small business community. Welcome to our monthly Meditation Mondays! All it takes is half an hour (that's only 30 mins!) for us to help you put your to-do list aside, empty your head of all the chatter and truly look after yourself.

Who will lead the meditation?

We are thrilled to partner with the **Kadampa Meditation Center in Oak Park** to bring you this monthly meditation. Our great friend **Dave Murphy** will lead the meditation and talk you through every step. You don't need to do anything but show up and breath!
