

**SUPPLIES NEEDED:**  
**A KIT FROM VALLEY RANCH**  
 - A SHOE BOX/ANY BOX OR  
 A GIFT BAG  
 - GLUE STICK  
 - SCISSORS

### **STEP 1**

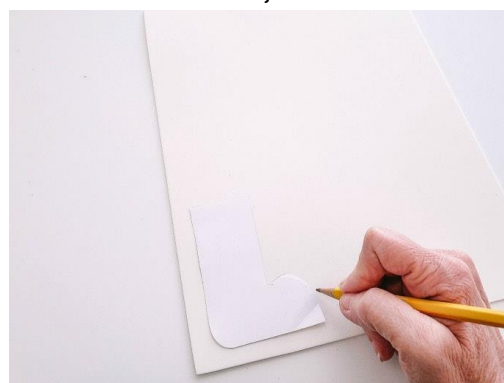

Begin by covering a medium-sized box (shoe box) in any colored paper or you can use a gift bag.

### **STEP 2**

Cut the Dog template pieces from the white paper.

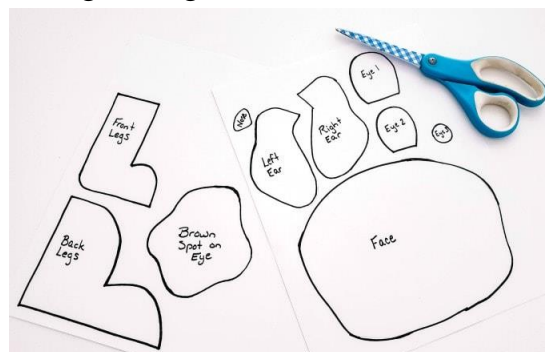

### **STEP 3**

Trace the Dog template pieces onto the colored paper. Follow the pictures for appropriate colors. Example: eyes, black spots brown or black, ears brown or black, etc.

### **STEP 4**

Cut the template pieces from the colored paper. You can change these colors in any way that you want. You can also add a bow to the dog's ear, etc. and make it a girl.

### **STEP 5**

Glue the eye pieces together then glue the different pieces to the dog face. Ears, spot on eye, nose, etc. Draw the dog's mouth with a marker or crayon.

### **STEP 6**

Glue the dog face onto the front end of the card box or gift bag. You can add spots on the side or back of the box or bag and their paws. You can even add a little tail if you like.

**Don't forget to cut a hole in the top of the box. Make sure it is large enough for kids to put Valentine cards in.**

**You now have a cute Valentines Box/bag to place all your little valentines' cards in.**

**Have fun making this with your family!**
