

### **SUPPLIES NEEDED:**

#### **A KIT FROM VALLEY RANCH**

- **A BOX/SHOE BOX OR GIFT BAG**
- **GLUE STICK**
- **SCISSORS**

#### **STEP 1**

Begin by covering a medium-sized box (shoe box) in any colored paper or you can use a gift bag.

#### **STEP 2**

Cut template pieces from the white paper.

#### **STEP 2**

Trace template pieces on coordinating paper. For example, red for dino body, tail, head. Use the pink paper for the scales, etc.

#### **STEP 3**

Cut the template pieces from colored paper.

#### **STEP 4**

Glue the pieces together using a glue stick. Follow the picture for where to glue scales, etc.

#### **STEP 5**

Glue the completed dinosaur onto the front of the box or gift bag.

Don't forget to cut a hole in the top of the box. Make sure it is large enough for kids to put Valentines in.

**You now have a cute Valentines Box/bag to place all your little valentines' cards in.**

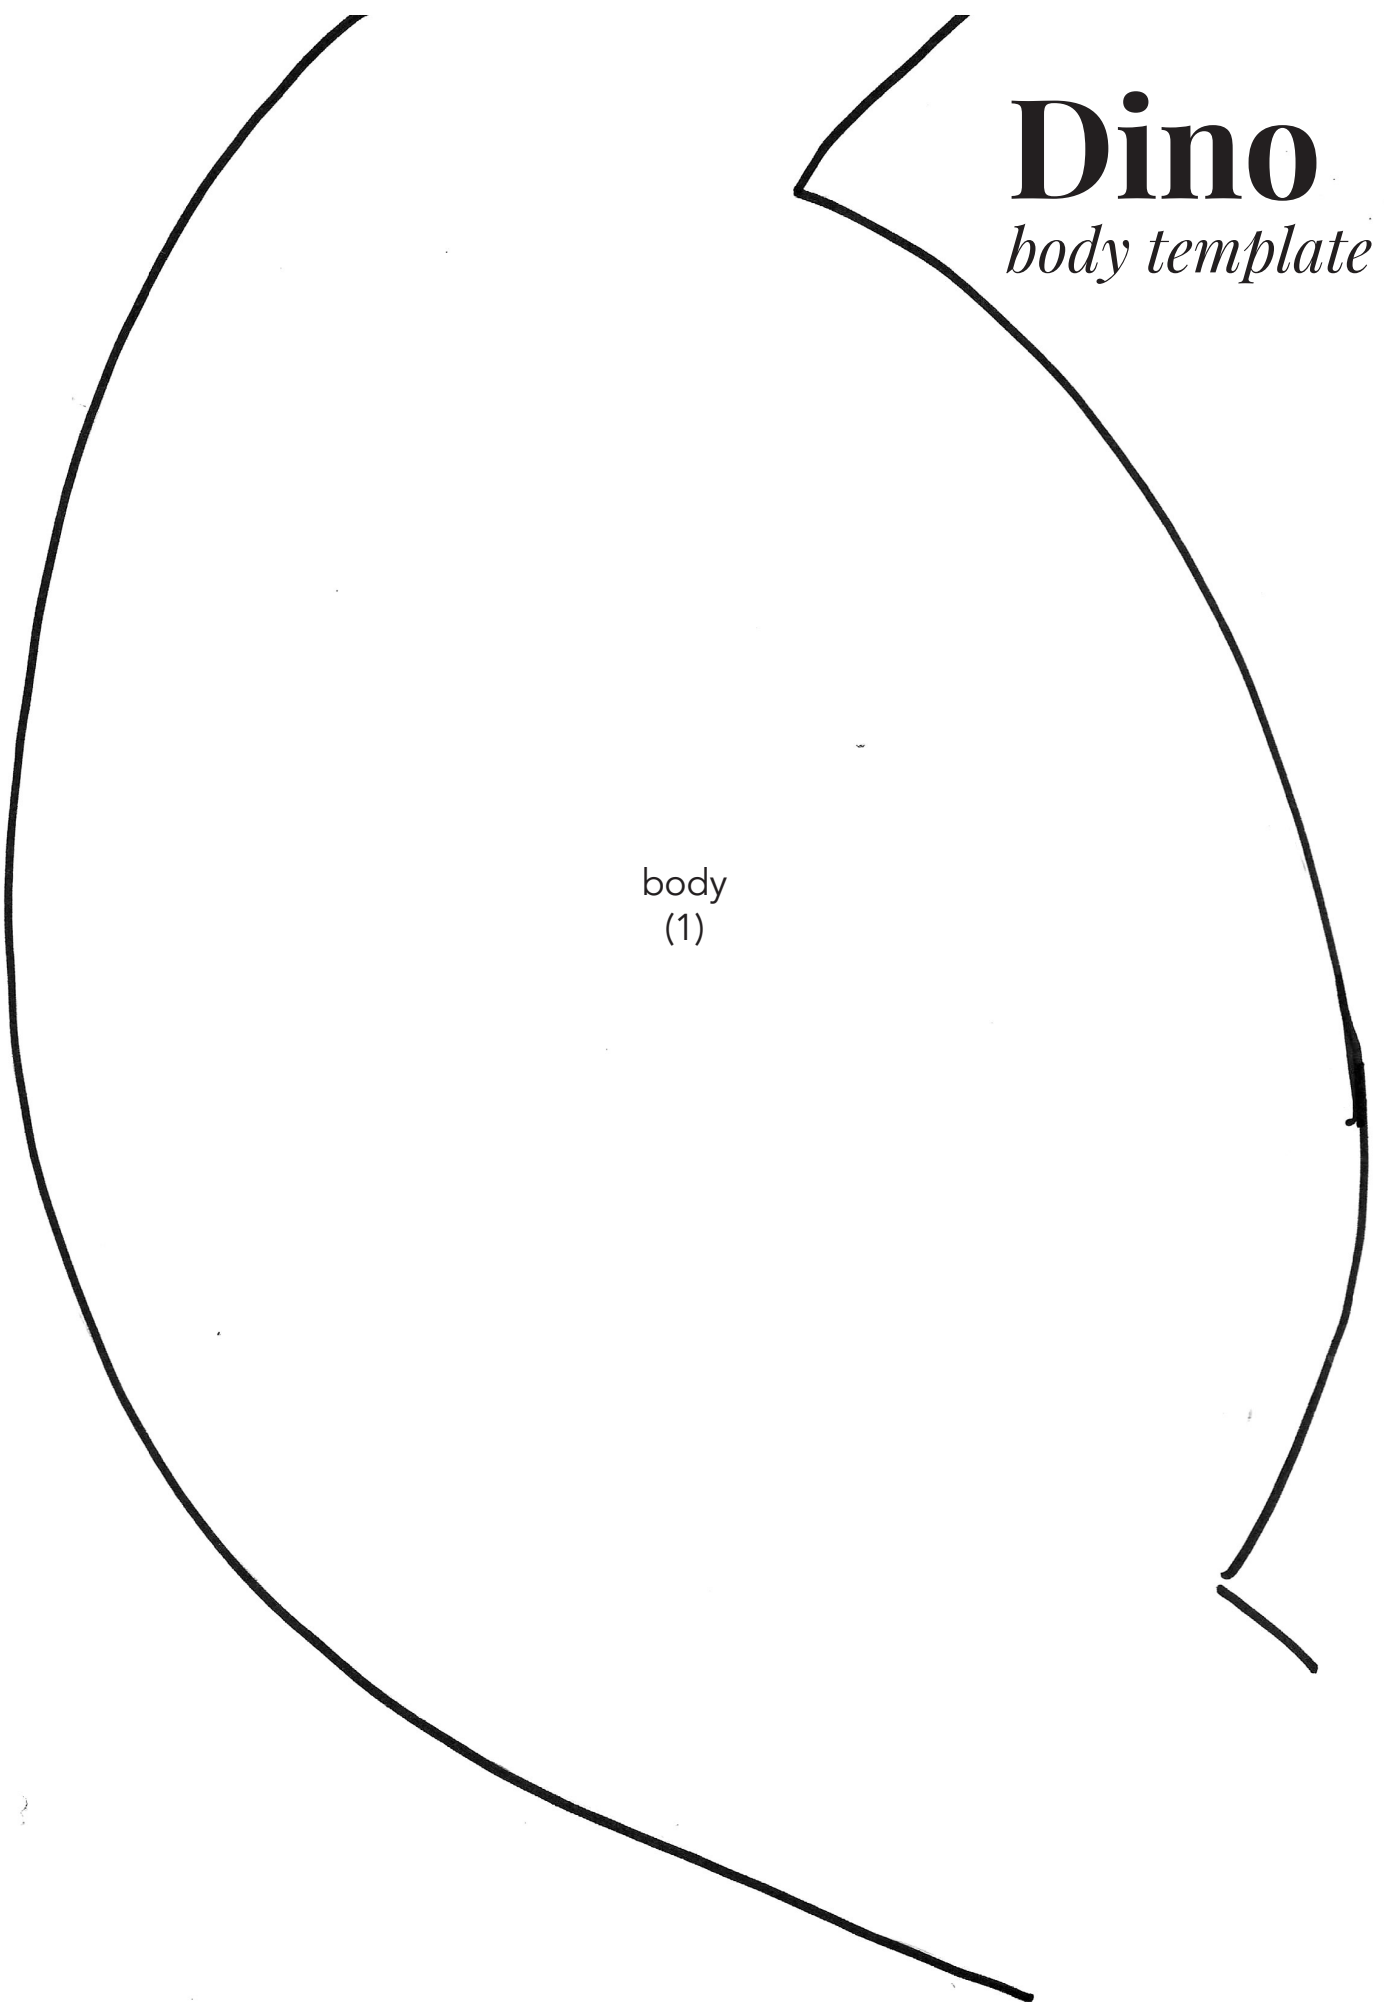

**Have fun making this with your family!**
