

## Valley Ranch Has Talent

### Rules and Guidelines

Do you have a hidden talent? Your special talent could help you win a small prize! Send us a 30-45 second video of your special talent and you will be entered into the contest. Contest will run from Monday, March 16th - Saturday, March 21st. After judging, winners will be announced on Wednesday March 25th via social media and the e-news letter

1. Submit a 30 – 45 second video of your special talent. Talent cannot bring potential physical or environmental harm to you or others.
2. Video can be submitted to [adenson@ccmcnet.com](mailto:adenson@ccmcnet.com). Please include the names of the participants and your home address. Submission of the video acknowledges and agrees that they may be shared on social media and other communication channels.
3. If minors are participating, video submission can only be submitted by their parents/guardians. Any videos submitted by a minor themselves will be destroyed and not entered into the talent contest.
4. This contest was created in replace of the postponed lifestyle events during the community health concerns. This is intended to be a fun distraction for family members worried, scared, or bored at home.
