Mr. Derrick Surrette  
793 N President St  
Jackson, MS 39202

Dear Mr. Surrette:

Today, the Mississippi Senate passed Senate Bill 3227, legislation that authorizes the designation of recovery zones to support investment in counties impacted by Winter Storm Fern. I know this legislation is beneficial for you and your members whose areas have been impacted by Winter Storm Fern.

The Mississippi Senate has been tirelessly working to review ways to provide relief to those who have felt the disastrous impacts of this ice storm.

Feel free to share with your respective members who could directly benefit from this legislation. As always, please do not hesitate to reach out to me or my staff.

Sincerely,

A handwritten signature in blue ink that reads "Delbert".

Delbert Hosemann
