

The 2026 Booth Challenge — County Member Guide

Win While You Walk.

Walk the Expo Floor, scan booths, and vote — it's how you help pick the winners and enter to win prizes of your own. No app, nothing to sign up for. Just your phone.

HOW TO PLAY

1. **Visit a booth** and meet the exhibitor.
2. **Scan the QR code** — open your camera, point, tap the link (no app). Can't scan? Type the short URL at the bottom of the booth's QR sign.
3. **Share your info** — name, email, and county. That's how you enter the drawing.
4. **Vote** — rate the booth 1-to-10 in each category. One vote per booth; revisit to change it.
5. **Reach 75 booths** to qualify for the Expo Floor Passport drawing.

WHAT YOU'RE VOTING FOR

Best Theme Spirit — the booth that best brings this year's theme, First Response Starts Local · Working as One, to life.

Most Valuable to My County — the exhibitor whose products and services make the biggest difference back home.
