For 49 years CSI Night has been our region’s premier product show and networking event! CSI Night is a one-day exhibit to showcase your products and services. CSI Night is a convenient way to reach hundreds of the area’s architects, engineers, specifiers, interior designers, building owners, physical plant staff, purchasing agents, building officials, etc. at one time. We truly appreciate the continuous participation and positive comments from our exhibitors and guests, who have made our show a success for so many years!

Booths are first-come, first-served. Reservations will be confirmed upon receipt of full payment, so please don’t wait … make your reservation today!
