### Upcoming Apple Monthly Meeting

Informative half-hour presentations (+/-) given by subject-matter experts with time afterwards for attendee questions. Typically the Club offers one topic or theme per session dealing with Apple hardware, software or services. Designed for "large" groups of residents. Sign-up not required. Usually 6 monthly presentations are scheduled per year – with holiday and summer breaks. Some meetings may also include Club general information or business topics.

*Location and timing information.*
