

Dear Member,

2025 has been a very good year for Oak Valley Golf Club. The golf course has been in wonderful shape throughout the year thanks to the hard work and dedication of Golf Course Superintendent Ben Day and his staff. We were once again honored to be recognized as one of the top courses in the region by several publications—a reflection not only of the quality of the Arnold Palmer design, but also of the standards that our Members and Guests have come to expect.

Our Members value the friendships and connections they share with each other and with the Club, and that is a big part of what makes Oak Valley such a wonderful place to play. Our Member's Tournament calendar this year was very successful, and both the Ladies' and Men's Golf Associations enjoyed another strong year of participation and camaraderie.

Looking ahead to 2026, we want to build on our sense of community. We plan to enhance our Junior golf programming and introduce new Couples' events on select evenings during the summer, providing even more ways for families and friends to enjoy the Club together. Both the Ladies' and Men's Golf Associations have already begun preparations for next year. We have also been asked by the PGA to host next year's Boys PGA Junior Championship for North and South Carolina—an honor that will showcase tomorrow's stars and once again highlight Oak Valley as one of the region's premier venues.

At the same time, like all clubs, we continue to face rising costs in labor, materials, and essential services. To maintain the golf course at a high level, support quality staff, and continue to provide the kind of Member experience you value, there will be a modest adjustment to our fees for 2026.

Effective January 1, 2026:

- Monthly dues in each Membership category will increase by **\$5 per month**.
- The Member range plan (Driving Range Club) will increase by **\$25 annually**.

The Club will again offer a dues Pre-Pay option for 2026. This popular program is designed to allow Members the option to pre-pay their monthly dues for the year and receive a discount.

*Members who elect to pre-pay their 2026 dues by **January 10, 2026** will receive a **5% discount** on the total dues for the year. **There will be NO pre-pay discount after January 10th.***

Members may choose between two options, on an Individual or Family basis:

Full Golf - Unlimited access any day of the week to available tee times.

Weekday - Reduced price limited access, Monday to Friday excluding select holidays.

Discounted rates on weekends & holidays. May play in MGA weekend events for a small upcharge.

Both options allow: Booking tee times up to 8 days in advance; eligibility for Club Championships, Member-Guest, Member-Member, MGA & LGA events, and other Club tournaments; access to Driving Range plans; discounts on golf shop merchandise; play at three other great golf courses at a reduced reciprocal rate, including cart & green fees.

Our hope is that you continue to enjoy not only a beautifully conditioned golf course, but also the friendships and connections that make Oak Valley feel like a second home. Thank you for choosing to invest your time, your game, and your relationships here at the Club. We sincerely appreciate your continued support and look forward to seeing you on the tee in 2026.

Sincerely,

Randall James, PGA
Oak Valley Golf Club
