

November 25, 2020

Dear Member,

Wow, what a year 2020 has been. Even though COVID-19 has continued to wreak havoc on all our lives, thankfully our golf course has remained open for your continued enjoyment.

The ownership continues to invest in our facility to provide a well-conditioned course, a club with no assessments and affordable monthly dues. Even though our membership has remained strong throughout the year, we will once again turn to you to help us grow our membership base at Oak Valley. Growth in membership is vital to the long-term success of the club and we hope you will join us in actively pursuing your friends and area golf families to join our wonderful facility. The staff continues to work hard in every area of the clubhouse and grounds to make Oak Valley the best course in the area.

Oak Valley will again offer a dues Pre-Pay option for 2021. This popular program is designed to allow members to pay their monthly dues for the year in advance and receive a discount

***Members who elect to pre-pay their 2021 dues by December 31st will receive a 5% discount on the total dues for the year. There will be NO pre-pay discount after December 31, 2020.***

Please note there will be a small increase in dues this year. There will be four (4) options from which you may choose. We thank you for being a member at Oak Valley and hope you will continue to maintain your commitment to the club.
