# HABITAT HAPPENINGS

The Newsletter For YOUR Brunswick County Habitat

## Partner- Family Update

We want to congratulate the Hugh family for closing on their Habitat Home in October! Victoria and Nicholas's amiable attitude made them a pleasure to work with. Thank you to every volunteer and community partner that made this possible!

## End of Year Donation Goal

**We still have not met our end-of-the-year goal!**

Don't forget to donate! No amount is too big or small to help out the mission!

## Breaking Loose in Leland!

Have you been to the Leland Restore lately? We have been reinventing! Our store managers are to thank for the new spaciousness. Not only is the store more open, but we have changed the lighting as well. Consider us when shopping for your Holiday Décor! Proceeds from the ReStores support our mission of making affordable housing possible in our community.

# Thank You!

## Volunteer Highlight

We would like to take sometime to highlight a few of our of dedicated volunteers Pastor Bill Negron & Christine Luciano. We are truly thankful for your devotion! We have plenty of board members and volunteers to choose from...just limited space.

## New in Construction

BY BRIAN TROXLER

It is a busy time for Brunswick County Habitat Construction. We are nearing the completion of homes in Southport and Shallotte and breaking ground in Carolina Shores as well as Boiling Spring Lakes. We have added Mr. Blake Raynor to our team as an Assistant Crew Lead. Blake is a Marine Veteran and currently resides in Hampstead NC. If you see Blake on-site, please say hello!

## Volunteer Update!

BY RACHAEL WAITE

We would like to say a huge thank you to all our volunteers, including our new Faith Relations Committee! We wouldn't be able to do what we do without your help, and we thank you all for your support!
