VANDYK MORTGAGE CORPORATION
Est. 1987

When was your business established/founded and why?
VanDyk Mortgage was organized in 1987 by its Founder and CEO Thomas L. VanDyk in Grand Rapids, Michigan.

Please describe your business:
VanDyk Mortgage Corporation is an industry leader dedicated to providing thoughtful and efficient service throughout the home loan process, from application to closing.
Our underwriting department maintains consistent 24 to 48 hour turnover times. We provide secure online applications. The security of your personal information is our top priority and we utilize the latest technology to protect it. We are a direct Fannie Mae, FHA and VA Seller/Servicer as well as a direct underwriter. We offer Pre-Qualification Underwriting so you have the opportunity to

learn if you are approved before you buy. We provide 24/7 Loan status availability.

Why should Angola residents/visitors choose your business? At VanDyk Mortgage Corporation, we strive to be the best lender in the business. We aim to provide our clients and partners superior services and quality resources so they can grow along with us. We understand the importance of each individual loan and recognize that an elated customer is the heartbeat of our business.

To what do you attribute your current success?
We attribute our current success to our hard work and dedication, our willingness to learn, and asking lots of questions.

What makes you most proud of your business?
We are a family-owned business that is nationwide.

What is your business well known for?
We are known for getting the hard or impossible loans done!
