To Whom It May Concern,

The Angola Parks and Recreation is looking for suitable volunteers to help with our annual Independence Day Celebration. The volunteers would be asked to work one of three shifts during the day of July 4, 2020. Each of the shifts will be needed:

JULY 4TH 12PM – 3PM

JULY 4TH 3PM – 6PM

JULY 4TH 6PM – 9PM

These volunteers will be asked to assist with parking, band arrival and set up, and at our Hospitality Center during these hours. For your generosity we would like to accommodate our volunteers with special access amenities including:

- Hospitality Center – air conditioning, refreshments, private parking, comfortable seating, and restrooms
- Meet and Greet with available performing artists, including photo op
- Complimentary goodie bag
- One ticket for a free item from one food vendor
- VIP seating for the fireworks display available

On July 4th, 2020 we anticipate having over 10,000 people at the event and we need your help. Bring out your whole family for a few hours and help us have one of the biggest years for the Independence Day Celebration. We are asking for the friends of the park to come together for this event because we cannot do it without our community!
