

## North Carolina Providers Council October 2019 Conference

### CALL FOR PRESENTATIONS

We invite you to participate as a presenter in the October 7-9, 2019 North Carolina Providers Council conference! We anticipate that sessions related to this year's theme, *Navigating the Path to Success*, will inform and prepare attendees for Medicaid Transformation go-live in November of 2019. We hope that you will contribute your perspective to the engaging dialogue!

Conference attendees have previously included: State government officials; consumer advocates; public interest law firms; advocacy organizations; companies that support the day-to-day operations of behavioral health and I/DD providers; LME/MCOs; Health Plans; and North Carolina Providers Council [members](#) who render services to Medicaid beneficiaries and non-Medicaid individuals across the state. You can learn more about the Providers Council [here](#).
