

## Spring Conference – Pathways 2 Progress Highlights

With the addition of even more sessions, this year's conference is sure to cover the information and topics you need to be prepared for the changes to Medicaid, the move to integrated care, and how to work with the state's new Prepaid Health Plans (PHPs). By addressing topics such as Value-based care, Standard Plan operations, progress on the Medicaid Tailored Plan, effective use of technology, service challenges, and the effective utilization of Peer Support, this conference will provide guidance to support stakeholder readiness for a managed care system that integrates all aspects of healthcare.

i2i is very excited about this year's Closing Plenary session on June 11<sup>th</sup> with **OPEN MINDS CEO, Monica Oss** who will provide an update on the changes in the health and human landscape that are driving changes in market position and sustainability for specialty provider organizations. She will review the key competencies for executive teams to lead and manage their organizational transformation.

On June 10<sup>th</sup>, the afternoon will give all attendees a chance to hear from DHHS leadership on specifics concerning the Tailored Plan implementation at the General Session led by **Kody Kinsley**, Deputy Secretary for Behavioral Health & IDD, Division of Health Benefits and **Debra Farrington**, Chief of Staff for Medicaid, Division of Health. The session will cover: plan eligibility, benefits, care management, advanced medical homes, and a variety of quality issues. The status of work related to governance and rates may also be covered, along with information from recent policy papers and Departmental feedback received.

Main session topics during the conference will cover:

- **10 Steps to Value Based Contracting**
- **A New Approach to Care: The Standard Plan**
- **Team Focused Care: the Foundation of a Strong Workforce**
- **Informed Decision Making: Why Choice is Important**

New this year will be our **Insight to Innovation** topics – 1 hour seminars that will cover a wide range of topics from integrated care and development of performance measures, to value-based contracting with opioid treatment providers and cyber security to telepsychiatry and trauma.

We hope you will plan to join us. Registration is open until May 31<sup>st</sup> with Early Bird rates in effect until May 10<sup>th</sup>. [Learn more and Register online today.](#)
