

New Scholarship Policy

We are implementing a new scholarship policy for Sibshops participants, effective on February 1, 2011. There will be ***one*** scholarship available for each location and only ***one*** scholarship will be awarded to a family each calendar year. Each family interested in a scholarship is required to submit:

- (1) A letter explaining why you are requesting a scholarship along with any further verification to help determine eligibility
- (2) A letter from an associate whom they are familiar with and whom can support this request for a scholarship (such as a social worker, case manager or program leader).

Both letters must be submitted with completed Sibshops registration by registration deadline for eligibility and consideration of scholarship reward. Families who receive the scholarship will be notified prior to the first Sibshops session. We appreciate your cooperation and understanding with this new policy. For further inquiries, please contact the Sibshops line and leave your name along with the best day, time and contact number to reach you: 410-578-5169. Thank you.
