

10.17.18 CHOPPED: CHAMBER EDITION!

Henry Ford West Bloomfield Hospital 8-10 a.m.

Based on the wildly popular Food Network show "Chopped," our teams will compete before a panel of expert judges taking everyday items and turning them into something healthy and extraordinary – but watch out – what secret ingredient may throw our teams into a tailspin! Teams from the Lakes Area, Greater Farmington and Novi Chambers of Commerce will compete in a breakfast challenge in the hospital's Demonstration Kitchen.
