

Multi-Chamber EOS® Working Group

Lakes Area and Novi Chambers of Commerce are coming together to offer their members the opportunity to be part of an EOS® Working Group. This Working Group will be facilitated by Professional EOS Implementer™ Richard Price of 2Elate™.

What the heck is EOS®?

EOS®, the Entrepreneurial Operating System®, is a complete set of simple concepts and practical tools that has helped thousands of entrepreneurs get what they want from their businesses. By mastering this simple way of operating, leadership teams of growth-oriented companies systematically and permanently improve their business and their lives.

Who this is for:

- Integrators or Leadership Team Members who are running their business on EOS®
- Companies who are: Graduated / Self Implementing / Using an EOS Implementer™
- Companies 'dipping their toe' who are Interested in learning more about EOS

What it is:

- A 'Safe Place' to explore your EOS knowledge and learn more
- A place to IDS issues with companies who understand your language and can help
- A place to learn some 'nuggets' that can help you in your seat on the Accountability Chart
- Meeting facilitated by a Professional Certified EOS Implementer™

What it is not:

- A Referral Group
- A lead generation source
- A group that expects you to bring 'networking' opportunities
- A group that you complete slips to say who you talked to, referred, events attended etc.

When will the group meet:

The group will meet on the third Monday of every month from 3.30 pm to 5.00 pm.

If you would like to learn more about EOS® you can download the first chapter of "Traction – Get a grip on your business" by Gino Wickman free at <https://www.2elate.com/downloads/>. If you like that, then contact Richard directly for a printed copy of the book, richard@2elate.com.
