Accepting Rejection

Not only is Raj a well-know news anchor but he is also an amazing speaking coach and keynote speaker. At TEDxDetroit he headlined with his talk highlighting the gifts of rejection. He coaches executives on the art of storytelling. From the FBI to Honda, top level brass at numerous organizations have tapped into his dynamic seminars. We succeed because of rejection, not despite it. Rejection creates a blueprint for your future. People, cities, and brands all go through it. Learn how we can all use rejection to retreat, rethink, and reinvent yourself.
