

# Identity Theft & Cybercrimes

## Tuesday, April 20

### 8:30 - 9:45 am via Zoom

**Hosted by Michael Zurek of Nichols Financial**  
**featuring information from former FBI agent Jeff Lanza**

Identity theft and cybercrime are on the rise – and as a former FBI agent for more than 20 years with experience investigating fraud, organized crime, cyber-crime, human trafficking, and terrorism, Jeff knows what it takes to avoid both. He is a published author and appears regularly on CNBC's Closing Bell and the Fox News Channel. In this presentation, he will walk through 10 simple safeguards that people can use to avoid falling victim to identity theft and cybercrime.

**Register in advance for this meeting:**
