Dear Tribal Leader:

I write to invite you to the 2022 U.S. Department of Health and Human Services (HHS) Annual Regional Tribal Consultation sessions that will be held virtually and in-person, with written testimony provided to HHS by e-mail. HHS remains committed to strengthening the government-to-government relationship between the Federal Government and Indian Tribes. These sessions are designed for Tribal leaders to have the opportunity to address HHS on how the Department can improve Tribal outreach and coordination, and to discuss programmatic and policy issues and concerns with Tribes.

The consultation sessions will provide Tribes opportunities to focus on regional specific issues with their respective regional HHS counterparts. The sessions also provide an opportunity for Tribal Leaders to consult with HHS headquarters leadership on national level issues. To see a list of HHS Regions, please visit: <https://www.hhs.gov/about/agencies/iea/regional-offices/index.html>.
