Citronella Horse Spray™

Healthy HairCare's Citronella Horse Spray Infused with Nature's Goodness. Healthy HairCare's Citronella Horse Spray helps control and protect horses naturally and effectively against nature's pesky nuisances. Evidence proved Citronella Oil along with Lemongrass, Peppermint and Eucalyptus are effective and natural in their control and protection. An additional blend of lanolin and conditioners make hair more manageable, easier to detangle and control.

Citronella Oil conditions the hair, protects it from sun damage, boosts volume, and removed tangles. Citronella Oil eliminates and prevents the growth of fungus on wounds, boosts the healing of wounds, relieves spasms and gas, stimulates and improves circulation, facilitates the healing of eczema and dermatitis, reduces swelling, tenderness, and pain.

Naturally control & protect with Citronella, Lemongrass, Peppermint & Eucalyptus essential oils. Conditioners repair and protect coats, manes and tails. Pairs wonderfully with Citronella Horse Wash.

Sunflower Suncoat SPF™

Healthy HairCare's Sunflower Suncoat SPF Sunflower Performance Formula contains Sunflower Extract that protects against both dangerous and damaging UV-A and UV-B sun rays.

Sunflower Extract, a free radical scavenger stops hair degradation in its tracks. Scientifically documented evidence proves superior effectiveness against sun damage and physical degradation from UV-A radiation. An additional select sun blocker adds protection from UV-B radiation.

Healthy HairCare's Sunflower Suncoat SPF maintains the natural, true color of coats, manes & tails. Repairs bleached & burnt hair damaged from the sun's ultra-violet spectrum and saves you time grooming. Healthy HairCare's Sunflower Suncoat SPF – A quality blend of conditioners make hair more manageable, easy to detangle, and easier to comb.
