

How to learn more about Lake Country Lutheran as a Prospective Family

The summer has finally come to an end and it's time to get the kids back to school. Where to even begin as a family looking for your student's next step? The calendar can fill up quickly with all the school and after school events. At Lake Country Lutheran, we understand high school years can be a big investment for a family. Each year, we offer several opportunities for families to explore all that Lake Country Lutheran has to offer.

LCL Fall 2019 Admissions Events

Fall is coming up quickly. Be sure to save the dates now for some of these admission special events:

Preview Day, October 4, 2019 - 10 a.m. to 2 p.m.

Lightning Visit Day is an excellent opportunity for 7th and 8th grade students who want to experience what it is to be a "Lightning". The day is full of classroom experiences and activities.

Students will start with LCL "LIFT" groups getting to know current students and potential classmates. After LIFT groups, students will navigate through LCL and learn about each core area, getting to know the LCL teachers. Students will get an LCL lunch and some Culvers custard to fuel their day. The day will conclude with fun activities in the gym and worship.

While your student explores LCL, we welcome you to visit with the admissions team for a tour at 10 a.m. We welcome you back at 1:30 p.m. to worship with us.

RSVP here: <https://www.lakecountryhs.org/lclvisitday>

Open House, October 21, 2019 - 7 p.m. to 8:30 p.m.

This evening event provides families the opportunity to hear LCL parents and students share their experiences. Families will be able to meet and ask questions with LCL teachers about subjects, teaching style, and how we can impact your student.

Open House is a great opportunity to experience the culture at LCL. We encourage you to RSVP, walk ups are also welcome. Whether your child is a 3rd grader or potential transfer, we welcome everyone to attend. Students will have an opportunity to engage with our current students that evening as well.

RSVP here: <https://www.lakecountryhs.org/fallopenhouse-0>

Individualized Admissions Process

1. **Schedule a visit with the Admissions Office.** Families are welcome to visit with us any day of the week and at any time by appointment. A personal tour ensures all your questions can be answered.
2. **Schedule a Shadow.** Prospective students are invited to shadow a current LCL student for a day. This experience gives the prospective student a chance to see what a day at LCL is all about. Great days to be a guest at LCL are Tuesdays, Wednesdays, and Fridays. Schedule an appointment here: <https://www.lakecountryhs.org/get-started>
3. **Apply.** Applying early "holds your place" for the 2020-2021 school year. Application for admission opens October 4th. Families interested in learning more about tuition assistance can

fill out an application when applying for admission. Applying early for assistance allows us to be able to work with your family.

4. **Enroll.** Students who apply will be reviewed for acceptance and will be able to enroll once accepted.
5. **Course Selection Nights.** Students who have enrolled will be able to reserve an appointment with an academic advisor to select classes.
6. **Math Placement Exam.** Students are required to take a math placement exam. The exam date will be at the end of the school year.

We look forward to working alongside your family helping you find the best fit for your student!
