MAY VIRTUAL COMMUNITY BABY SHOWER

WHAT IS IT?

Throughout May, we want to celebrate and help expectant and new mothers who are facing pregnancy and motherhood during this uncertain time.

To do that, we're planning a month full of digital activities and giveaways.

GIVEAWAYS

We are going to host several giveaways throughout the month filled with items that new mothers want and need.

We'll run shorter giveaways through Facebook and have a grand prize giveaway that will be running throughout the month.

YOUR SUPPORT

We envision the entire community coming together to help support our expectant and new mothers.

You can get involved by:

- Donating Giveaway Items
- Donating Money for a Giveaway
- Sharing on Social Media

BENEFITS OF PARTICIPATING

In addition to supporting our community, we also hope to create buzz around this virtual baby shower. We will be acknowledging all basket sponsors on our Facebook page and in our newsletter. We hope you'll also share about the activities online!
