PhysioCare Home Healthcare & Hospice new office location

West Lafayette, IN — March 22, 2021— PhysioCare Home Healthcare & Hospice is pleased to announce the relocation of their corporate offices to 1440 Innovation Place, West Lafayette IN 47906, in the Purdue Research Park.

The move to the new location allows the PhysioCare office and clinical field staff a wonderfully spacious and modern building to continue to provide the highest levels of restorative and end-of-life care to their patients. "PhysioCare has always been a truly local provider, so putting down roots in such a way confirms that," according to Tammy Dodt, PhysioCare Executive Director. "We have also always been about being a close-knit and personable group of professionals, our new office space makes that environment even easier to foster and maintain."

PhysioCare Home Healthcare & Hospice is dedicated to providing individualized care to individuals and support to their family members anywhere they may live in Tippecanoe, Montgomery, Fountain, Warren, Benton and 30 other Indiana counties. PhysioCare Home Healthcare & Hospice is locally owned and operated and is available 24/7.PhysioCare services are covered by Medicare, Medicaid, and most other insurances. Call 765-838-1660 for Home Health or 765-250-3827 for Hospice, anytime for information or to schedule a free consultation.
