

Career and Technical Education

Did you know the Class of 2029 is under new diploma requirements? Three of the Seals that students can earn require work-based learning hours.

Partnerships with our local business and industry partners will be the key to success for our students! Especially those students in our Career and Technical Education (CTE) programs.

Please consider joining us, on one of the following dates, to hear from school representatives, students, and our career cooperative to learn a little more about the new diploma requirements and how we can work together to better help our students.

- Wednesday, January 28th, 6pm - 7pm EST, Carroll Jr/Sr High School
- Wednesday, February 11th, 6pm - 7pm EST, Delphi Community High School

The Truth About CTE

- CTE programs are about exploring careers, gaining real-world experience, and building academic and technical knowledge and skills that become more targeted over time.
- More than three-quarters of employers from in-demand industries report hiring an employee for their CTE knowledge and skills.
- CTE generates positive returns to state and local economies.

How to Help In Building Today's Students into Tomorrow's Workforce

Did you know that students in our community are under new diploma requirements?

Partnerships with our local business and industry partners will be the key to success for our students!

Especially those students in our Career and Technical Education (CTE) programs.

What is the New Diploma Requirement?

Students must receive anywhere between 75-650 hours of work-based learning during their 4 years in high school.

How Can Businesses Help?

- Hire a student and provide work-based experiences to help them learn about your business and field
- Allow students to job shadow someone at your place of work
- Go to the school and provide a teaching to a class
- Give guided tours to students at your place of work

What are the Next Steps?

- Contact Indian Trails Career Cooperative stating your interest in participating
- Attend 1 of the 2 informational events at either school
 - Wednesday, January 28th, 6pm - 7pm EST, Carroll Jr/Sr High School
 - Wednesday, February 11th, 6pm - 7pm EST, Delphi Community High School
- Start the process to get pair with students, schedule a tour, or plan a date to teach in a classroom
